**Parking around the School**

School zones are areas around schools where, during certain times, reduced speed limits apply. Speed limits and drop-off and pickup and parking rules exist to keep children, parents and carers safe and to minimise speed and traffic jams around schools.

**Drop-off and pick-up areas**

Drop-off and pick-up areas on Wewak Street are signed with Loading Zone 2 minute maximum. These signs mean you have a maximum of 2 minutes to drop off or collect your children. These areas are where parking is not allowed – but where you can drop-off and collect your children in a safe way.
